

HOW DO COLLEGES USE THE SAT SUBJECT TESTS?

The SAT Subject Tests give colleges a measure of how ready you are for college-level work in particular subjects. Colleges use these test scores for admission and course placement.

Some colleges require specific SAT Subject Tests. Be sure to research the schools in which you are interested to learn if they require you to take SAT Subject Tests in particular subjects.

ABOUT MJ TESTPREP

MJ TestPrep provides highly developed programs to help students meet their test taking and college admission needs.

MJ Test Prep presents

SAT Chemistry Class

PROFESSIONAL CHEMISTRY INSTRUCTION

- Professional instructor

*NOTE: Students will be expected to complete assignments between weekly sessions.

WHY TAKE THIS COURSE?

FILL-IN ANY GAPS

The SAT Subject Test in Chemistry covers a broad range of concepts. In this class, you will study all necessary topics — including those that may not have been covered in your high school chemistry class.

SET YOURSELF APART FROM NATIONAL AVERAGE

Learn conceptual nuances and study the most challenging questions on the SAT Subject Test in Chemistry. Prepare yourself to correctly answer “level 5” difficulty questions — the ones missed by most test-takers nationwide.

8-week course

begins

April 2011

*Designed to prepare students for the June 4, 2011 test date.

COURSE INFORMATION

Thursday class:

6:30 - 8:30 PM
Begins April 7

Saturday class:

10:00 AM - 12:00 PM
Begins April 9

Fee = \$ 950
